Posts from

From the COMMANDER:

With all the recent (and still to come) rain, the hills around our area are looking like the beautiful Irish landscape of my ancestors and make me excited for St. Patrick's Day!

We had a wonderful, and well-attended California Legion District Meeting on Sunday, February 25th. Out of the area attendees were very appreciative of our Post for hosting the meeting and for the fabulous food offered. Many thanks to Sons, Auxilliary, and Legion members; Bob Evenson, Betty Bristol, Yvonne Hampton, Janice Somers, Laurie Richardson, Barbara Fisher, and Mario Perez for the weekend events set up and cleanup. Another job well done!

Reminders from the previous month's newsletter about upcoming events: The Member Orientation is open to all family members and is scheduled for April 13th from 11am to 2pm. Many members are helping our web-master and communications specialist, Rick Pushies with putting together valuable information for all members of the entire Legion Family. I encourage all Legion members, Auxiliary and Sons, to be involved and make the time in your schedule if you can. We are also planning our first ever Peddler's Fair for Saturday, April 6th. This is an awesome opportunity to get your Spring cleaning in gear and possibly earn some cash clearing out items no longer of use to you. Check out the flyer attached to this newsletter for more information. Next up on the calendar is the 2nd Annual Craft Fair and Annual Pancake Breakfast and Car Show being held the weekend of May 18th and 19th. All of these events are being designed to enhance our presence in the community and provide a deeper understanding of the fabulous ways we can support our fellow veterans and their families.

Please read all the info in this newsletter and share with family and friends to help us extend our reach and spread the word. I hope everyone has a wonderful St. Patrick's Day, and I hope you join us on Mondays and Fridays for our weekly social gatherings.

Those new members are: Blas Sanchez, Randy Berryhill, Wendy Minarik, Gail Crawford and Sean Metzler. If you see them around the Post give them a warm welcome.

We're gearing up for a Membership Orientation next month, Saturday April 13th. We would love to see new members and seasoned members alike come and get some good information about the Post and the American Legion. More information will follow as we develop this program.

Please continue visiting the Legion.org website using this link: <https://www.legion.org/join> to read about valuable Legion membership information. And as always, I appreciate your renewals, transfers, and new memberships and look forward to seeing you at our General Membership meetings and monthly BBQs.

As of 3/1/24 the CalLegion.org website indicates San Luis Obispo Post 66 has 5 new members, with a total of 202 members paid and 281 total members.

Post Service Officer News

Funeral Niche is available to a Veteran in our Post. Don't know what a niche is, well neither did I. Turns out it is a small final resting place for cremated remains. A very nice lady who has already paid the high price for such a place, wants to donate it to a veteran. It is located at the Chapel of the Roses in Atascadero. All you need to do is inform the Post Service Officer of your interest and I will make the calls to secure a deed transfer to the interested party. There may be a \$200 transfer fee, but that is small potatoes to the \$2000-\$3000 cost to purchase. And the really nice part is you don't have to die immediately to take advantage of this deal. Those who have dreamed of buying real estate on the cheap may really appreciate this generous offer. :) Contact Dave Glidden with questions. Some of you may know that the Post has a program for serving our Veterans of San Luis Obispo County. I take your money but not too many know how it gets spent. This past month; we helped find employment and paid the utilities bills of a young Army SP4 who found himself unemployed due to no fault of his own. We gave him \$250 and helped him lower his utility costs for electric and water. Also got him free garbage removal for the next 3 months. Best part was, we got him a job at a transportation company paying a salary of \$20 and hour. Not a huge salary for a family of three, but at least he stays indoors with the lights on. We also gave one of our own post members an upgraded walker, so please watch out for a speedy lady making her way around the post. For those that still don't know; we have Wheelchairs, walkers, canes, crutches and mobility scooters to give away, all you need to do is ask. Your donations in the last few months have really made me very happy and I am kind of selfish in looking for joy in helping Veterans. Thank you. There is a peddlers fair coming up soon and it is a great opportunity to empty the garage of good serviceable items. The Vet Services Program will have a booth. Already we have a lift recliner that has been donated, a set of very nice Ping golf clubs and a number of accessories for golfing. We may even sell the old printer that was in the office. I will not be in town for the Peddlers Fair but you can contact my wife Maggie or my faithful assistant, Fred Hampton, if you have any items you would like to donate. I love giving away money to worthy causes.

Dave Glidden, Post Service Officer

**FROM THE AUXILIARY**

District 16 held a meeting at Post/Unit 66 on Sunday the 25th of February. The Unit held a Leadership workshop on Saturday the 24th at the post. Both were great successes. Many thanks go out to all who helped with the weekend. The ALA Unit is getting ready for Poppy Month in May. The ALA Unit will be helping the post with many activities coming up. Especially the pancake breakfast. We will have a poppy display with donation cans. May will be a busy month. Memorial Day we will have poppies out. Girl's State is fast approaching. ALA is busy with helping the selected girls with applications. Girls State Luncheon is in April at the post in Santa Maria. Thank you all who cooked, washed, cleaned and supported the weekend of the District being here in SLO.

Laurie Richards. Auxiliary President

FROM THE SONS

Hey everyone! It's the first of the month and that means a good social dinner at 5pm and a Son's meeting at 6pm on Monday, March 4th. In February we held interviews for the Boys and Girls leadership program lead by Ken San Fillippo. The three interviewers were Bill Fieldhouse, Tom Dimmitt and Bobby Evenson. We had ten students from three schools, San Luis Obispo High School, Morro Bay High School and Mission Prep School. They were all very smart and it was a tough job to have to pick one from each school. In June, the selectees will go to Sacramento State University for a week learning about the U.S. Government with students from other schools all over California - an experience of a lifetime that shapes and develops tomorrow's leaders.

Bob Evenson, Son's Commander

The Sons have been busy these last few weeks in preparing for the Boy-Girls State Leadership Program (**BGSLP**) to be held June 2024 in Sacramento at Sacramento State University.

Post 66 has a long legacy sponsoring local high school students to attend the leadership program that was started by the American Legion in 1935. Interviews were conducted at Mission College Preparatory, Morro Bay High School and San Luis Obispo High School.

All the schools provided an exemplary line-up of students for the Post to interview, making our decisions extremely difficult since only one delegate from each of the 3 high schools can be selected to attend the leadership program.

Selections were made, and we are proud to announce three outstanding students who will represent Post 66 as our delegates: Bruno Monroe MCP, Eli Waldman MBHS, and Leo De Turrus SLOHS. We also want to thank the High School Career Center Counselors, Shawna Foster MCP, Julia MacIntosh MBHS and Colleen Martin SLOHS for their assistance interfacing with the students specific to the **BGSLP**.

Finally, a shout out to our Post 66 officers for their assistance in the logistics. The interview team members included myself, Bill Fieldhouse, Bobby Evenson, and Thom Dimmitt.

Ken San Filippo, Post 66 Chair of the Boys and Girls State Leadership Program
